Making Friends

Sicily makes all kinds of friends from odds and ends she finds around her apartment.

Can you make a bird friend out of a bread clip?
Or a family of monsters out of some pop can tabs?

By using the outlines below, create your very own friend.

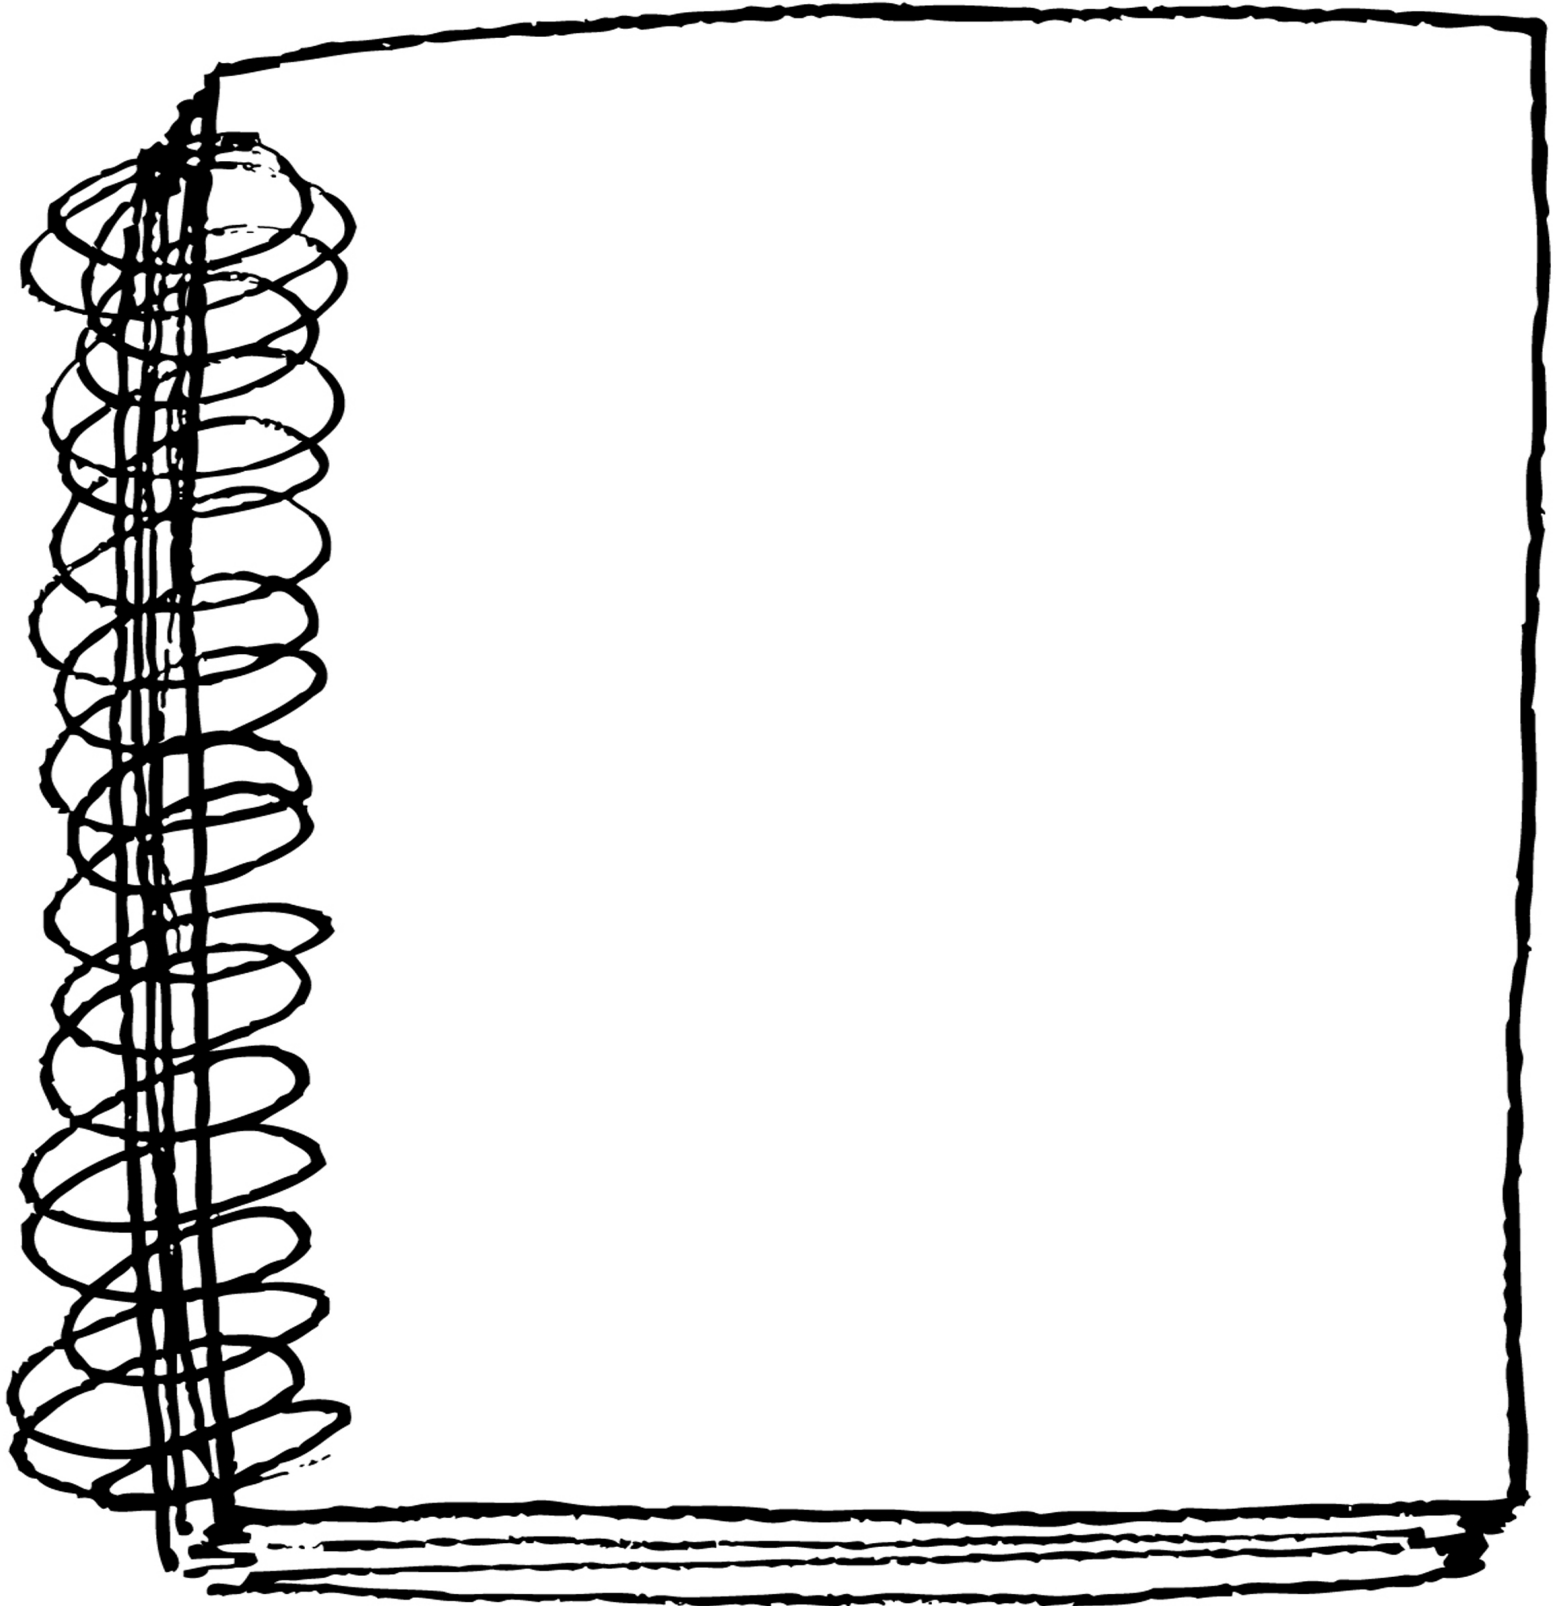

*Sara de Waal drew
these bird friends.*

Idea Notebook

Sicily likes to write down all her best ideas in a notebook. She dreams of making a lake submarine, a unicorn castle, and even a spaceship that can take her to Mars.

Do you have an idea notebook? In the space below, draw one of your ideas. Include plans for how you'd build it and what you'd need.

A Trip to Mars

Both Sicily and the boy with the very striped socks dream of going to Mars. If you were to join them, what might happen on your adventure? Create a comic strip of your trip to Mars, including the new places and friends you encounter along the way.
